

Membrane Biochemistry and Biophysics
Chem 674

Instructor : Kriya Dunlap, 474-2766, kldunlap@alaska.edu

involved. This project is designed to help you create an animation that you can incorporate into your thesis presentations. I encourage students to share resources with each other in class, whether it is applications such as drawing, model building, video and picture editing etc. and/or online resources like prezi, slide rocket and jux.

Exams: There will be two take home exams; one midterm and one final exam. Late exams will only be allowed with pre-approval of the instructor or with an acceptable, documented reason such as unexpected illness, family emergencies or other unavoidable events.

Late Work: All assignments are due on the due date. No late work will be accepted except in the case of illness or emergency or prior arrangements are made with the instructor.

Ethical Considerations:
