## Doctor of Philosophy Degrees

Holly Cusack-  
McVeigh

Ph.D.            Anthropology

*B.A., Central Michigan University, 1987*

*M.A., Michigan State University, 1993*

### **Thesis:**

#### **Stories Find You:**

#### **Narratives of Place in a Central Yup<sup>o</sup>ik Community**

For Yup<sup>o</sup>ik Eskimo people, stories are active in social life. Their narratives illustrate a conception of the land as sentient and responsive, like a person, to human actions and social tensions. Thus, narrative discourse about place makes powerful statements about the health or illness of society and the natural world.
